The right questions, at the right place,
at the right time.

In a first step we determine your personal needs and explicate the different possibilities that would fit your project.

We use the alchimedus software to structure your results and targeted milestones as well as develop a plan for your future.

Use the free and non binding first meeting in person or by skype to learn more about your possibilities.

Christiane Schild

Working for the Berlin Chamber of Commerce and Investment Bank of Berlin gave me the interesting insights into what is needed to set up a successful business.

As an economist with a background in financial controlling and quality management, I possess the skills and knowledge to be able to offer a comprehensive service supporting new business founders and entrepreneurs.

Consulting and coaching with method
